Every licensee must sign this contract before moving into the home. Keep the signed original in the licensee's file.

Inside Circle

LICENSEE GOOD NEIGHBOR CONTRACT & COMMUNITY COMPLIANCE AGREEMENT

As a Licensee of Inside Circle's Home, I understand that use of space in this home is a privilege. This house is located in a quiet residential neighborhood in the Arden-Arcade community. My behavior directly impacts the safety of this neighborhood, the local schools, and the future of this program.

By signing below, I explicitly agree to hold myself to the highest standard of accountability and abide by the following rules:

1. **Strict Area & School Boundary Ban:** I will not walk past, loiter near, or congregate around local school zones, playgrounds, parks, or student bus stops. My travel to and from work or programs will completely avoid these areas.
 2. **Mandatory Daytime Accountability:** I will not idle inside or outside the home during standard school/work hours. I must be actively engaged in full-time employment, vocational training, community service, or approved county re-entry classes.
 3. **Strict Curfew Compliance:** I will be inside the home by **10:00 PM every night**. No exceptions will be made unless pre-approved in writing by the House Manager for employment verification.

4. **100% Drug and Alcohol Prohibition:** I will maintain complete sobriety. I agree to submit to random, unannounced toxicology screenings at any time. Refusal or failure of a test results in immediate discharge.
 5. **Exterior Conduct & Loitering:** I will not loiter, smoke, or gather in the front yard, driveway, or sidewalk. All phone calls, smoking (in designated rear areas only), and socializing must occur out of public view to minimize neighborhood disruption.
 6. **Interaction with Law Enforcement:** I am under active legal supervision (**Sacramento County Probation / State Parole**). I will cooperate fully and respectfully with all house checks conducted by the Sacramento County Sheriff's Office, probation officers, or parole agents.
 7. **Immediate Discharge Policy:** I understand that Inside Circle operates a strict **one-strike policy**. Violating any neighborhood safety rule, breaking curfew, failing a drug test, or engaging in disruptive behavior will result in my immediate eviction and the notification of my supervision officer.
